

DARE
TO BE
SQUARE

SQUARE

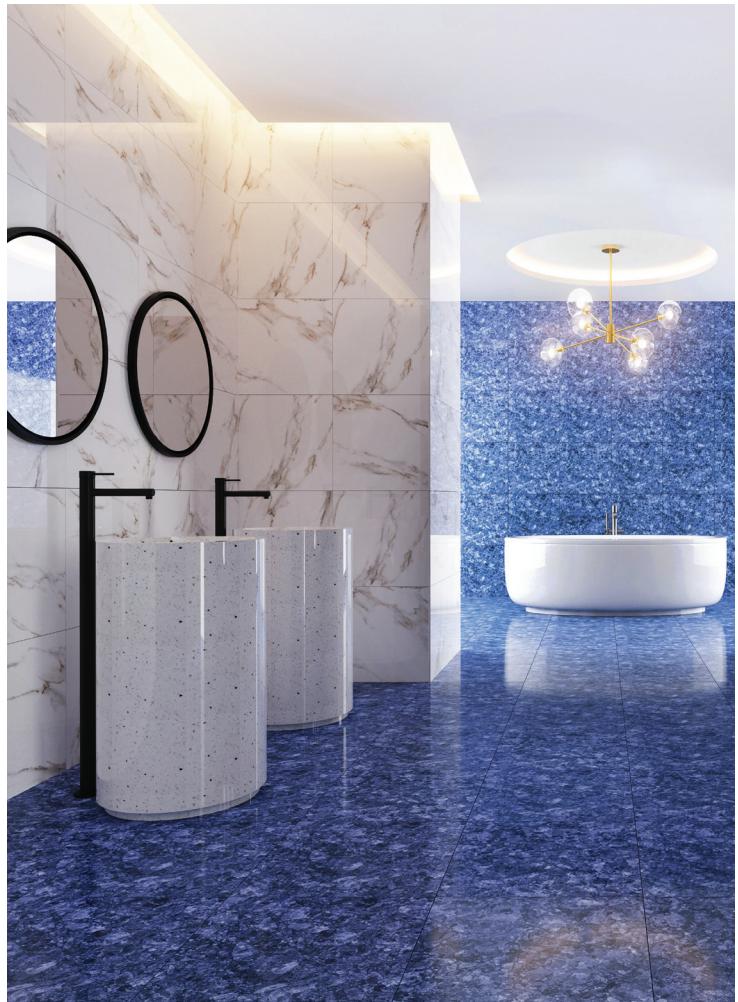

A new advanced 50x50cm rectified tiles, using materials that combine established, classical characteristics to create a top of the range product with very high aesthetic and performance qualities.

The harmonious combination of natural marble, wood and stone with its courageous style results in fourteen splendid forms that express strong and unmistakable personalities.

DARE TO BE SQUARE will reinforce Platinum Ceramics as being the leader in the industry, reworking stylish elegance with a contemporary twist that takes architecture to a new dimension.
